AUTHORS' AGREEMENT FORM

Title of the manuscript:

.....
.....
.....

The undersigned authors hereby agree that Journal of Surgery and Medicine ("JOSAM") and SelSistem as the publisher ("Publisher") have no responsibility over the content of the manuscript titled above.

By submitting this manuscript to "JOSAM", the authors agree to the following terms and conditions:

Originality of the Submission

- The submitted manuscript (including the text, tables, figures, graphs, images, and any other related content) is original and has not been submitted to another journal for publication, has not been published before in whole or in part.
- If the manuscript has been published in whole or in part, all permissions were granted for publication in "JOSAM" and original copyright form and other required documents will be forwarded to "Publisher" and all relevant persons and institutions.

Plagiarism Statement

- The authors certify that the manuscript is their own work and it is free from plagiarism, including self-plagiarism. Proper citations and references have been provided for all materials derived from other sources.

Using Third Party Materials

- The authors guarantee that the article does not infringe any personal or property right of others and accept the responsibility of the content of this manuscript and all other legal responsibilities related to the manuscript.

Conflict of Interest

- The authors declare any potential conflicts of interest, including financial, personal, or other relationships with people or organizations that could inappropriately influence (bias) their work.
- If no conflicts exist, the authors explicitly state that there are no conflicts of interest.

Copyright, License, and Rights

- By signing this form, authors agree that the article, if accepted for publication by the "JOSAM" will be licensed under a Creative Commons Attribution-NonCommercialNoDerivatives 4.0 International License (CC BY-NC-ND) which allows third parties to share the material for only noncommercial purposes by giving the appropriate credit to the original work. Adaptation and modification of the material is not permitted. For further details of the license CC BY-NC-ND 4.0, Please see <https://creativecommons.org/licenses/by-ncnd/4.0/>.
- The authors retain all patent and other proprietary rights to the article, including the copyright. Even after the article is published in the journal, the copyright remains with the authors.
- In addition to the non-exclusive rights the Publisher has under the CC-BY-NC-ND license, this agreement also authorizes "Publisher" to permit the derivation of the content as well as publication, republication in electronic and print format in the journal and distribution of the content.
- The authors hereby grant the Publisher a license to publish the article and to identify itself as the original publisher.

Validity of the Agreement

- If the article is not accepted for publication in "JOSAM", the agreement will expire, and both the journal and the Publisher will not have any rights over the content.

Authorship and Contribution

- The authors confirm that all individuals listed as authors have made significant contributions to the research and manuscript preparation. All authors have read and approved the final version of the manuscript and agree to its submission.

"JOSAM" adheres to the ICMJE recommendations on authorship that contains the following 4 criteria:

1. Substantial contributions to the conception or design of the work; or the acquisition, analysis, or interpretation of data for the work;
2. Drafting the work or revising it critically for important intellectual content;
3. Final approval of the version to be published;
4. Agreement to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved

- All authors must be fulfilling the conditions specified in the abovementioned first 3 criteria. Those who do not fulfill the specified number of contributions and conditions are to be mentioned in the "Acknowledgement" section of the article.

Ethical Standards

- The authors affirm that the research described in the manuscript has been conducted in accordance with ethical standards and guidelines relevant to their field of study.
- For research involving human subjects or animals, appropriate institutional review board (IRB) or ethics committee approval has been obtained, and the authors have followed the guidelines for ethical conduct of research.

Funding and Acknowledgments

- All sources of funding for the research have been disclosed in the manuscript.
- Any individuals or organizations that have provided assistance or support but do not meet the criteria for authorship have been appropriately acknowledged in the manuscript.

Data Availability

- The authors agree to make any data supporting the results and conclusions of the manuscript available to the journal and readers upon reasonable request.

Corresponding Author Roles and Responsibilities

- The corresponding author is responsible for ensuring that all authors have reviewed and approved the final version of the manuscript.
- The corresponding author will act as the main point of contact between the journal and all the co-authors throughout the submission, peer review, and publication process.
- The corresponding author will ensure that all statements and declarations (e.g., conflict of interest, funding, ethical approvals) are accurate and complete.
- The corresponding author will be responsible for responding to editorial queries in a timely manner.
- The editors may contact only the corresponding author regarding all matters related to the manuscript.
- The corresponding author confirms that the manuscript does not contain any copyrighted figures or other material without explicit approval from the copyright owner, beyond mere reference citation. Proper permissions have been obtained and documented for any such material used.

The undersigned authors certify that they qualify for authorship according to the above-mentioned terms and conditions.
